

RECENT ADVANCES IN THE ANALYSIS OF COMPETITION POLICY AND REGULATION

Edited by **Joseph E. Harrington Jr.**,
Johns Hopkins University, US and
Yannis Katsoulacos, Athens University
of Economics and Business, Greece

'This volume collects a number of original, cutting-edge contributions that take the reader swiftly and easily to the frontier of research on most of the current hot topics in industrial organization, antitrust and regulation. Skillfully edited by two outstanding leaders in the field, the volume will be a precious source for students, researchers and practitioners that need to figure out what research has achieved in recent years on these important policy issues.'

– Giancarlo Spagnolo, SITE – Stockholm School of Economics
and University of Tor Vergata, Sweden

This state-of-the-art volume highlights important recent research contributions covering all the significant themes surrounding competition policy and regulation, including financial regulation and multisided markets.

Bringing scholars and policymakers to the frontiers of research and addressing the critical issues of the day, the book presents original important new theoretical and empirical results.

Recent Advances in the Analysis of Competition Policy and Regulation will prove insightful for academic economists, consultants and policymakers interested in these fields.
